HELP OUT:

• **Present a display of a country**

It can contain artifacts, information, drawings, photos, and especially toys or games! We can provide the display boards!

• **Provide a cultural dish to share**

Bite-sized items, finger food, or single servings are ideal! **Please label the ingredients/allergens in your dish.** You can make a dish or ask a local restaurant to donate one! We have a donation letter that you can use when requesting food.

• **Join the event planning team**

We need help with set-up, clean-up, and running the event.

• **Lead the games**

Do you know how to play Dominoes or Mancala? Contact us to help out with game play.
